A thoughtful approach that helps learners build
understanding, confidence and independence.

NATIONAL DEBATER

KwaZulu-Natal representative

5 DISTINCTIONS

National Senior Certificate, 2022

TUTORING SINCE 2023

In person and online

How Ariana helps

Ariana combines multi-subject tutoring and academic coaching with experience from UCT's speech, language and literacy clinical training. She breaks down complex ideas, adapts lessons to individual learning needs and helps learners develop effective study and exam strategies.

Her debating background spans World Schools and British Parliamentary formats, strengthening the research, reasoning and communication skills she brings to her teaching.

Subjects & focus areas

English - Home & First Additional Language
Afrikaans - First Additional Language
Mathematics & Physical Sciences
Biology / Life Sciences & Accounting

Learning support
Study skills, organisation, exam preparation and confident communication.
